

Dear Donor,

hi, my name is Alex ☺
I'm in the WIA program.
Through JDP I am
able to get gas cards
that help w/ my transporta-
tion barrier to get to
ASU. ☺. I have also
received some food you
have donated that helps
me a lot because I
don't have a lot of money.
- really appreciate
your support.

Its little stuff
like this that
makes a difference
in our lives. ☺
it shows people
care. ☺

Thank you
so much

- Alex
