

## JFCS Caring Cards Program Instructions

### General Instructions

You can create your own hand-made card or use a store-bought card. **Please provide envelopes if possible, though please do not seal them** as we will be mailing the cards to our clients and will want to pair the card with the person who will appreciate it the most.

Write a warm or cheerful message on the inside of the card. Sign your first name (if the card-maker is a child, they can write their age in parenthesis). If you are writing on behalf of a school or organization you can write that too.

On the back of the card feel free to write "Made for you by \_\_\_\_\_, JFCS volunteer".

### Delivery Options

We have several options for delivering the cards:

#### **Mail in a larger envelope or drop off in a bag, larger envelope or box to:**

Lisa Blumstein, Volunteer Coordinator  
JFCS, 4747 N. 7th St, Suite 100, Phx, AZ 85014

#### **Drop off your cards at our JFCS Admin offices.**

Drop off can occur Monday through Friday 8:00 a.m.-1:00 p.m. (see address above)

If you are not able to mail or drop them off please contact JFCS Volunteer Coordinator, Lisa Blumstein (Lisa.Blumstein@jfcsaz.org or 602-567-8383) to arrange a mutually convenient location for socially distanced in-person drop off (into plastic bins in the trunk of our cars). Please remember - don't seal the envelope(s).

*Instructions continued on next page.*

## Wording Suggestions

Here are some wording suggestions for the inside of the cards:

Although we all are at home to stay well, I hope this card fills your day with good cheer knowing that we are thinking of you.

Sending joyful thoughts your way.

Hoping this card will make your day! We are thinking of you!

I am thinking of you as we wait to be able to leave our homes. I hope you are able to look out your window to see the first signs of spring.

Sending a smile your way, hoping this card will make your day!

Although we are staying at home to stay well, I wanted you to know that we are thinking of you!

Hello, I wanted to send greetings to you as we wait in our homes for this time to pass. Please know you are not alone as I send you warm wishes.

May your day be filled with all kinds of bright sunny things!

Or please, feel free to write your own cheerful or warm message!

*Thank you for making a difference!*
