

MEMORY CAFÉ

Expresso Yourself!

A Memory Café is a setting for persons with memory challenges to engage in fun, enriching activities with their care partners in a nurturing and accepting environment.

The Rhythm of Life

Join us for a fun and interactive session of exploring The Rhythm of Life with Keith Johnson, founder of Sankofa Island Magic. Experience the fun and joy of upbeat rhythms and music. Drums and shakers will be provided for all.

Please join us for our monthly Memory Café. Each event includes refreshments and a stimulating, interactive program. Geared to those who have memory loss and their care partners.

No charge. Open to the community.

Keith Johnson is a commissioned artist with the Phoenix Office of Arts and Culture, the Arizona Commission on the Arts, and the Scottsdale Center for the Performing Arts.
