- The link will open your web browser. If you have not previously connected to an OfficeSuite HD Meeting, you must click the link to download and install the OfficeSuite HD Meeting app.
NOTE: joining from the browser does not currently work for meeting attendees, please download and install the app to join the meeting.

- The app will display a progress bar as it installs.

4. After the app installation completes, you will automatically join the meeting waiting room.

5. The meeting host will join you to the meeting when they are ready. You will then be able to see the shared screen, presentation, or webcam feeds present in the meeting.
