

Dear Donor,

hi, my name is Alex ☺  
I'm in the WIA program.  
Through JDP I am  
able to get gas cards  
that help w/ my transporta-  
tion barrier to get to  
ASU. ☺. I have also  
received some food you  
have donated that helps  
me a lot because I  
don't have a lot of money.  
- really appreciate  
your support.

Its little stuff  
like this that  
makes a difference  
in our lives. ☺  
it shows people  
care. ☺

Thank you  
so much

- Alex
